

# Shoalhaven River Festival

Shoalhaven  
Ex-Services  
Group

This year, we proudly continue our partnership with Shoalhaven River Festival. Held on 26 October on the banks of the Shoalhaven River, the festival brings locals and visitors together with entertainment, arts and culture, kids activities, water sports and marina expo, markets and more.

The Bunker will be there to satisfy your coffee needs and the day will be topped off with a sensational fireworks display over the river.

See you there!
