

Proudly Supporting Our Community

Shoalhaven
Ex-Services
Group

Shoalhaven Ex Services Group is a proud supporter of community organisations and grassroots projects that focus on the health and wellness of our local community.

We recently hosted an official presentation to our ClubGRANTS recipients on Monday 30 September 2019 at The Ex-Servos to bring together funded projects and their guests to formally acknowledge the work they do in our community, to tell their stories and network with like-minded organisations and individuals.

With a long and proud tradition of giving back to the local community, the SESG this year supported almost 20 local projects focussing on health and wellness in our community, such as the Shoalhaven Suicide Network and Lifeline South Coast for suicide prevention and training, Bowelcare Australia for a local cancer screening program, Foster Care Angels for carer support, training and education, AFFORD who will be using the SESG ClubGRANT to develop a sensory games room and healthy eating outdoor area in addition to several local sporting clubs, who grow stronger each year with the assistance of ClubGRANTS.

On hand to share their stories were representatives from U-Turn the Wheel program, The Ryan Family who were beneficiaries of the Confident Kids by the Shepard Centre program, Kizfix Foundation, the Empower Me Program, Shoalhaven Netball and Southern Branch FC.
